

**SKIN DIVERS** — The YMCA has scheduled a weekly skin-diving course, the first class to meet at 7:15 p.m. Tuesday for six weeks. Use of self-contained underwater breathing apparatus is demonstrated. The course is for both men and women 16 years or older. Fees are \$5 for Y members, \$8 for non-members.

Registrants must be able to swim at least 60 yards. In the picture above Donald C. McLellan, instructor (right), explains use of equipment to Y members Dee Young (left) and Bill Vondette. Further information on the course can be obtained from the YMCA. (Saginaw News Photo).
