# Ship Wreck Locations Told To Skin Divers

Members of the Saginaw Underwater Explorers heard a talk last evening by retired Conservation officer Gus Neering of Pigeon. He told the group of shipwreck locations in Saginaw Bay and Great Lakes areas. An avid collector of Michigan historical relics, Neering discussed the potential of skin divers finding many interesting and valuable relics of both the Indian and the lumbering eras of Michigan. Neering spoke at the meeting of the Underwater Explorers at the American Red Cross Building, 426 North Jefferson.
