

A request by the Saginaw Underwater Explorers Club for use of one of the City schools swimming pool for lung-diving instruction was referred to the administration office, but received initial support from the board. Three club members, Donald C. McLellan, instructor; Fred D. Davis, president, and Bruce Beckert, treasurer, spoke to the board. They said skin diving without proper instruction is dangerous, and their classes are over subscribed. The club now has use

---

of the YMCA pool for one hour per week for instruction.
