Roses Are Red, Violets Are Blue Elections This Month Will Depend On You!

The annual election of officers will be held this month at the club meeting. Nominations for these positions will still be taken during this (Feb) meeting. This is your chance to build up the strength of the club to your desires; nominate those individuals that you want for leaders. Be a leader yourself. (nomination convenience form on later page)

'04 Winter Pool Swims

Diving in this area has all but stopped due to the extreme hardness of the water. With the exception of the people having access to the warmer waters of those sunny states, no dive stories have been reported. As an alternative to losing our dive skills, the club is again offering monthly pool swims. This year, the swims are held at the Bay City YWCA, on Midland Rd. The times are from 3-5, on the Sunday following the club meeting. Here's some samples-

Pres News...

President Mike has announced his plans to become certified as a divemaster and an instructor through IANTD and PADI. Mike plans to use this to not only extend his own abilities, but increase the training of others. This is a fine goal, Mike; the SCOOP will try to follow your training.

Mike also wants to announce **the Awards Banquet** will be held as a potluck at the Cunningham's on the Saturday following the March club meeting. Mark your calendar!
