IMPORTANT; Officer Elections This Month

Hear Ye, Hear Ye, Hear Ye!
S.U.E. Constitution, Article V, Section 2;
“*New Board Members will be elected at the February membership meeting*” (see also VI-2)

The election will be held at this meeting, even if there has been little interest shown. Perhaps no one will be elected.

The prestigious Saginaw Underwater Explorers dive club experienced a kick in the face in '04 with the abrupt work transfer of its president out of state. The position was immediately filled by the very capable vice-president Terry Lisk, but the club did experience a disruption in its usual activities. Attendance at the club meetings has been somewhat disappointing; input from the members has been about nil. With the new year, it's time for your club to get rejuvenated, and it needs your support.

Who do you want to direct your club to new benefits for you? Why not take on one of these positions yourself, and feel the increase in your own self-esteem? Not to overlook gaining the admiration of the membership and small children...

Remember what they say in Baghdad- “Don't be known as a Sunni; show up and vote”. Voting sites are well guarded. (nomination convenience form on later page)

1st '05 Winter Pool Swim

The first pool swim of the year was held at the Bay City YWCA with a good turnout. Further, Prez Lisk coordinated the swim with a group of 4H youngsters who had an interest in what scuba diving is. Members Mike K, Tom VDB, Joe J, Tim D, and Prez Lisk worked one-on-one with the kids, and everybody had a great time. New member Rod Quartermaine was also there; welcome aboard, Rod!

This is a great idea! This is the kind of activity the club should stay involved in; it's an investment with future payoffs. If you know of a similar group that might enjoy this, contact Terry.

The pool swim this month is next Sunday, 3-5. Terry has offered to bring his hard hat again due to the popularity it receives. Try it out!

West Side Jill is letting her wet suit dry through these winter months. Watch for the return of Jill in the spring.

Social Activities?

Esteemed member Val Geidans has again contributed inspirational ideas for the spiritualism and fellowship of the club; we need to get back to singing!

Val found these songs in ancient club papers, and suggests we return to meetings that are opened and closed with song...

First, the SUE anthem to open the meetings (sung to the tune of "The Whiffenpoof Song")

From the tables down at Schuch's,
To the place where fishes dwell
To dear ole Otter Lake we love so well,
Dive the crazy aqua-nuts
With snorkels raised on high,
And the magic of their bubbles cast a spell.

Yes, the magic of their bubbles
In the depths we love so well,
In the chilly, murky depths
Where beer cans dwell.
We will snort 'n gasp 'n gurgle
And dive until we're pooped,
And pick up bottom goodies from the gloop.

Chorus:

We are poor little divers who have gone too deep, glub,glub,glub.
We are soaked little sinkers with masks that leak, glub,glub,glub.
Underwater Explorers known are we,
Dunked from here to eternity,
We can't dive without family, glub,glub,glub

More? Here's for closing-

Scuba days, scuba days,
Good ole golden scuba days,
Divin' & snorklin' & all that jazz,
Ain't it all fun, a razz-a-ma-tazz!

You were a diver, loaded with gear,
I was your buddy, loaded with beer,
I wrote on your slate, "I've got the bends"
When we were a couple feet down.

Memorize now, and be prepared to sing with your dive buddies!
