March Meeting Report

Pres Fabish and Treas Sommers prepare to open meeting

Special guest at the March meeting was Keith Hintz, from Dive and Glide in Bay City. Keith brought a lot of new gear to show, and explain its usage. He discussed the current state of the sport, and his plans for the year (see schedule). Keith mentioned some discount items for club members; call him to see if there's anything left.

And, remember that the April meeting will be holding a parking lot swap during VIPs. Bring those items out of the garage that have been gathering dust, and see what valuables the other folks have brought. The April (and May) meeting will be held at Thomas Twp Fire Station #1, on Miller just north of Gratiot.

Dive News

Greg Prenzler and Rick Hardy made a trip to dive the Whitestar quarry in Ohio a few weeks back. There was an open invitation for a free dive to any public safety diver. Greg reports it was cold and rainy weather, and they made one dive for about 45 mins.

Nice picture! (doesn't look cold...)

Closer to home, here's a few guys from the dive team taking their annual basic skills test at the SVSU pool; much warmer...

Looks like Kruska, Hastings, and Sommers....
