October Meeting Mirrors September

The care-free atmosphere of the 2d Tuesday of September has spread through the membership like the flu... Apparently 97% of the membership has been taken by it, and suffering accordingly. President Fabish did discuss some items that we ended Sept with. Then he opened discussion on what we had on the agenda for October. Next he offered a couple thoughts on what we might do in November (to be brought up in Nov). Finally we discussed which door to leave through.

Oct Last-of-the-Year Splash Dive

As typical, the EOY dive was held at Haithco Park. Also typical, less than 25 members participated. UrEd can at least remember Mike Fabish, Mike & Monica Walters, UrEd,... Unlike past Haithco dives in Oct, this was a really nice day with good sun. Water was clear until you got near the bottom and the weeds took over. Prepared divers had flashlights; the sun had set by the time the dive was over. Count it as a good dive!

Saginaw Childrens' Zoo, featuring the annual SUE underwater pumpkin carve! This is why we keep their windows clean all year. Not waiting for Halloween, we chose Oct 21 to set up our entertaining expo tank and carve pumpkins. Beautiful day; warm with lots of sun. And again this year, they loved us!
