June Fun Dive

June's fun dive took place at Just In Time campground. The weather was great and we had a great dive. It was a good place to practice navigation underwater with it's unique bottom contour.

July Annual Picnic

The annual picnic was rescheduled to the third Tuesday of the month due to scheduling conflicts. The five of us-Carol, Don, Mike, Rob, and Justin-had a great time and missed the rest of you. We understood that the change in the date probably caused some schedule conflicts for others. Carol did an excellent job as hostess and made a delicious dessert in a dive flag. Mike and Justin went for a kayak ride and we enjoyed the conversations around the campfire.

Zoo Window Cleaning

Mike, Bill, and Justin did the windows on August 9th and the lily pads are overtaking the pond. Bill and Justin cleaned the windows while Mike was the backup diver. Dave Sommers said that the lily pads were taking more of the pond when his team did the windows three weeks later.
