

# THE SCUBA SCOOP

Volume 61 | Issue 3 | March 2019

## Club Minutes

On Saturday, March 2, we celebrated 60 years together since the club began. There were about 28 members joining us at Uno's restaurant for a fun time of fellowship and telling many scuba stories. The party will take place of our March meeting so there will not be a meeting on March 12th. We voted for new members into the club. Please welcome Tod & Valerie McCloy and Kevin & Pamela Pierce to the club.

## Compressor Schedule

Don Cunningham is currently working on the compressor schedule and will soon have it on the website. Air cards will need to be purchased to obtain air fills as we do not except cash. Please remember to call whoever is on schedule 24 hours in advance before you need an air fill.

## Next Meeting

Our next meeting will be on April 9 at the Thomas Township Fire Station #2, 9970 Dice. This is at the corner of Dice and N. Thomas in Saginaw County.

## A New Editor

Last month a new editor has taken on the mantle for the Scuba Scoop. Justin Fabish has decided to take over the Scoop after the many years that Don Storck has contributed towards the Scoop. We thank Don Storck for his many years of service as editor of this group, and he has done an excellent job in keeping us up-to-date with events and interesting articles occurring within our club.

### *Some changes on the Horizon*

In the past the Scoop has been delivered at the beginning of the month but now the Scoop will be sent out after each monthly meeting so that the minutes of the meeting can be added to the Scoop. The Scoop will also have a facelift but don't worry many other things will still be very similar.

It is with a heavy heart that Cora is retiring to Florida and will be enjoying the nice warm weather down there. We wish her all the best in her retirement. In place we will now have a cartoon from Sherman's Lagoon as a fun antidote.

## The Birth of S.U.E.

On March 1, 1959, a club was born in Saginaw for scuba diver enthusiasts. This past Saturday, on March 2, we celebrated our 60th anniversary as a club together. We enjoyed wonderful food at Uno's restaurant while we shared fun stories and enjoyed good fellowship with other divers. Thank you President Mike Fabish for putting together this wonderful event to reminisce about the history of

Getting set up before the guest arrive.

Enjoying good food and fellowship

our club.

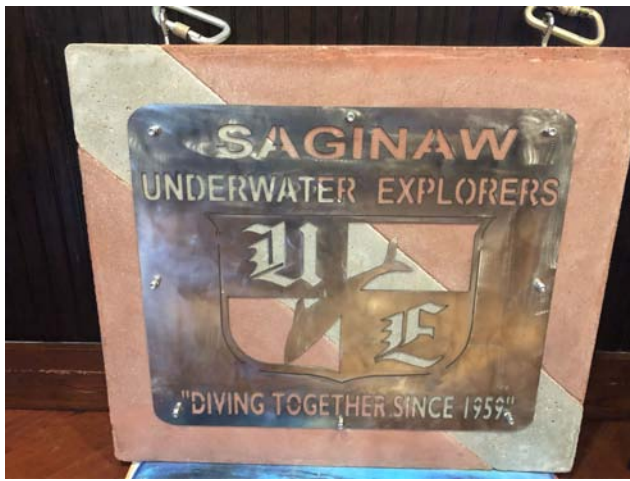

Table #2

We can have our cake and eat it too!

The Petosky Plaque

A closer look

Underwater relics and old photos from the club

Shark teeth, glass bottles, and rusty tools. Oh my!

Old photos and a dive tank fill log going back to 1979

## Underwater Antics Event Cancelled

---

Unfortunately the presentation that was scheduled for March 1 at Underwater Antics with Becky Kagan Schott was canceled due to inclement weather in Philadelphia that prevented Becky from flying into Michigan on time. She was at the Great Lakes Shipwreck Festival on March 2 and gave a presentation about underwater photography. Tim and Cheryl will try to reschedule a different time with Becky.
