September Meeting Canceled

The September meeting was cancelled due to a storm and possible tornadoes. The fire department was called out and the members that arrived had to leave the station. The sky looked very interesting that night.

NOW REMEMBER, YOU HAVE ENOUGH WATER FOR HALF AN HOUR, THEN YOU'LL HAVE TO COME DOWN.

September Fun Dive

Munising Trip 2019

Underwater Antics planned a dive trip to Munising in the upper peninsula for their summer trip this year. Twelve divers made their way in anticipation for some wreck diving. We worked with the Glassbottom Boat Tours company. On Saturday morning, we dove the Manhattan and Bermuda since the waves were too large to get out to the deeper waters. We had planned to

dive Sunday morning too, but the transmission broke on the boat so the dives were scrubbed. Instead, a few of us did a shore dive near the ferry dock to Grand Island. We came across a large boulder that was fascinating to see.
