

THE SCUBA SCOOP

Volume 62 | Issue 1 | January 2020

Club Minutes

- D. Sommers read the treasury report. Motion accepted as read. We averaged 35-38 members over the years.
- D. Cunningham will be stepping down as compressor chairman. He presented a report about our compressor and all is well. If parts are needed, it may take some time to find parts for the older compressor that we have.
- Our Christmas party was successful and we had about 32 people. We will rent the same room at UNO's for December 5th.
- Mike Fabish briefly talked about the plaque placement at the cross in Petoskey. He going to contact the guy from Under the Radar to see if they will do a story about the cross.
- We are planning some fun dives for 2020 so if you have any suggestions for diving nearby, please let us know.

Club Meeting

The rare sighted Bunny-eared Don can be seen in the back. Notice how he blends in with the inhabitants.

Everyone listening to Dave's Treasury report.

March's Meeting Canceled

Due to upcoming elections, the fire station where we have our meeting will not be available. In addition, some members will not be able to attend due to a dive trip to Bonaire at the same time. It was agreed upon that we would just cancel the meeting for the month of March and give everyone a break.

The annual board election will be held at next month's meeting. If you would like to be involved with the Board (or would like to nominate any members), now is the time to speak up.

Terry Lisk has graciously accepted the position of Compressor Chairman for SUE in 2020, and will be confirmed at the Feb SUE election meeting. He said he would be happy to help and has been in that position before, and is currently a member of the compressor committee/fill team and VIP inspectors.
Thank you, Terry.

A Note from the Prez

We had an open discussion about our monthly SUE meetings, and what some options would be. Your input and thoughts would be very valuable! I've created a 4-question survey that should only take a few minutes to complete to get a better understanding of what the membership is thinking. Please take the time to tell me what you think! Simply click on the link below and answer the questions. You can check more than one box. Thank You!
