

THE SCUBA SCOOP

Volume 63 | Issue 8 | August 2021

August Meeting Minutes

We had our first meeting at the fire station since the pandemic. Unfortunately your editor forgot to take photos during the meeting. Here are the minutes from the August meeting.

D. Sommers read the treasury report. Motion was passed to accept as read.

Richard "Dick" Batchelder who has helped with our compressor has passed away a few days ago. The club has sent out a condolence card.

The August fun dive was canceled due to lack of divers. Stay tune for our September fun dive.

October 14 & 15 will be the Petoskey dive for the memorial. We will also likely dive the Keuka and possibly another wreck that was recently discovered.

The Thomas township fire department pancake breakfast is scheduled for September 26 and we need volunteers to help with talking to people from the tank. The Saginaw fire department pancake breakfast is on October 3rd. Please let Mike or Justin know if you can help.

The Keweenaw Peninsula trip

Six divers went to Keweenaw Peninsula preserve on August 6-8. The divers were Tim Middleton, Cheryl Roggenbuck, Pat Burke, Deb Thalner, Mike Fabish, and Justin Fabish. Captain Ed from Great Lakes Scuba brought his boat up to the peninsula and we managed to get five dives in over the weekend. We were fortunate enough to find the Mesquite and made two dives on the wreck. On Sunday we drove to Munising due to poor weather and dove the Selvick and Bermuda. Everyone had a great time.

Annual Dive Picnic

Our annual picnic was held on August 1 at Tony and Carol Piazza's place in Tawas. Unfortunately the weather was not cooperative and we had to have the picnic indoors. We still had a great time with everyone and the food was delicious. Thank you Tony and Carol for opening your home to us and allowing us to enjoy good fellowship.

Thought this was appropriate given how hot it was last week. Hopefully no one's boat melted.

“So much for our scuba trip. It’s so hot out, our boat melted.”
