Our monthly meetings have gone virtual and we miss you. Mike uses Lifesize for the meetings, which works similar to Zoom, and he will send out an email with the link attached. All you have to do is click on the link to join. We are meeting on our usual nights, which is the second Tuesday of the month. We would love to have more people join for February. Pour your favorite beverage in your S.U.E. anniversary mug and join all of us.

We are driving down to Bonne Terre, Missouri on Friday, February 26th. We'll be doing 3 mine dives Saturday 2/27, and 1 dive Sunday 2/28 before returning home.

Diving is conducted in groups of 15. The average dive time is 35-45 minutes, average depth is 40 to 60 feet. Conditions are constant: Water temp of 60 degrees with no thermo-clines, air temp of 65 degrees, and visibility of 100 feet plus.

Open Water Diver Certification is all that is necessary to dive. Divers must be at least 10 years of age.

No knives or lights are allowed in the mine. A 7mm wetsuit and hood are required.

The price is \$485 per person firm (based on double occupancy). Includes 2 nights accommodations, coffee, rolls, juice, TV, internet, diving, tanks, and air fills. Weights and other gear not included. The non-diver price for accommodations, coffee, rolls, juice, TV, and internet is \$125 per person.

Add ons available, must be pre-paid upon registration:

- 1) Mine Dive Specialty Cert upon completion of the first 2 dives, \$85.
- 2) Pre-blended Nitrox, \$15/tank

Per Bonne Terre policies, payment must be made in full at registration, is non-refundable, and non-transferable to another date.
