

THE SCUBA SCOOP

Volume 63 | Issue 5 | May 2021

VIP NIGHT

Our VIP Night was on May 11 and Mike Kowalski and Terry Lisk inspected 10 tanks and Justin filled them all. The cascades were pretty drained after filling all those tanks. Don Cunningham and Tim Hastings came by to say hello, and Bill and Justin went to Fuzzy's for a late dinner while the cascades filled back up. Just recently Bill and I found out that Fuzzy's was closed due to a health code violation where food poisoning was reported. Fortunately, we escaped unscathed. Thank you Mike & Terry for volunteering.

First Fun Dive

We had our first fun dive of the season on May 18th at Haithco Park. Mike Fabish, Justin Fabish, Mark Russell, and Bill Kirksey all came. The dive was quite pleasant and we were able to find the buoy with the underwater ropes to the pontoon, wooden, and fiberglass boats. A couple of lures were snagged on the lines which were removed to avoid a hook in the hand. We saw lots of fish and some rather large bass that would be a lot of fun for fishermen. Bill, Mike, and Justin went to Denny's for dinner after the dive. It was a great dive to start our diving season. We will let the group know where the next dive will take place at the next meeting.
